

Dear Parent / Carer,

I am writing to let you know about a project that all schools in Liverpool will be participating in. The project, called Operation Encompass, is being run in partnership with Merseyside Police.

The project aims to support children who are affected by domestic abuse.

We have recently been contacted by the operation encompass team regarding an incident that you have been involved with.

Each school has a member of staff who is trained to liaise with the police, when required, whilst ensuring support is available for your child.

We are committed to providing the best possible care and support for all our pupils.

In the meantime, if you would like to speak to someone further or require further information, please do not hesitate to contact the school office to make an appointment with one of our safeguarding team.

Yours faithfully,

Mrs. Colette Hickey

Headteacher
